Day 6 Florence, Venice, San Gimignano

Breakfast at hotel. This morning you are off to Venice. Venice, La Serenissima, is a symphony of romance, elegance, mystery and invigoration. Built to accommodate an active maritime trade of exotic spice from the Far East, Venice and her intriguing history are fascinating. Rich in art, architecture and literature, she will take your breath away. We recommend that you venture into the heart of Venice to unveil her most precious treasures. The Grand Canal, will lead you to The Piazza San Marco and the incredible Basilica. Saint Mark's Basilica is a wonderful example of Byzantine Venetian architecture. It was at one time the Doge's chapel but it was also the mausoleum for Saint Mark, the patron saint of Venice, whose life is narrated in the golden mosaics on the walls. You should also explore the Palazzo Ducale or Duke's Palace. This impressive structure is a combination of Byzantine, Gothic and Renaissance architecture, and was the official residence of the 120 Doges who ruled the "Serenissima Republic" for 1,100 years. If you choose, you may explore the many lavish rooms and admire masterpieces by Tintoretto, Titian, Veronese and Bellini. Remember to view the Bridge of Sighs as well as the famous Rialto Bridge, the oldest bridge in Venice dating back to 1172. You should end your afternoon with a relaxing ride in an authentic Venetian Gondola (The Gondole Danieli Service on the Grand Canal in front of Hotel Danieli is very reliable. The cost is 75 euro for up to 6 people). The shopping in Venice is outstanding! Take train late afternoon back to Florence.
